Dear David,

On behalf of Vancouver's arts community, I would like to thank you for your generous support of our arts advocacy initiative.

Bringing a diverse (and opinionated) group of people to a common understanding requires substantial effort – however you made it look effortless.

David, thank you so much for your sense of humour and your strong facilitation skills. The positive feeling and encouraging outcome were made possible by your assistance with our advance planning and the constructive manner in which you facilitated the meeting.

With much gratitude,

A handwritten signature in dark ink, appearing to read "Dawn Brennan". The signature is fluid and cursive, with a large initial "D" and "B".
